Case Management

Case Management is a service provided through a Review Organization, which assists individuals with treatment needs that extend beyond the acute care setting. The goal of Case Management is to ensure that patients receive appropriate care in the most effective setting possible whether at home, as an outpatient, or an inpatient in a Hospital or specialized facility. Should the need for Case Management arise, a Case Management professional will work closely with the patient, his or her family and the attending Physician to determine appropriate treatment options which will best meet the patient's needs and keep costs manageable. The Case Manager will help coordinate the treatment program and arrange for necessary resources. Case Managers are also available to answer questions and provide ongoing support for the family in times of medical crisis.

Case Managers are Registered Nurses (RNs) and other credentialed health care professionals, each trained in a clinical specialty area such as trauma, high risk pregnancy and neonates, oncology, mental health, rehabilitation or general medicine and surgery. A Case Manager trained in the appropriate clinical specialty area will be assigned to you or your dependent. In addition, Case Managers are supported by a panel of Physician advisors who offer guidance on up-to-date treatment programs and medical technology. While the Case Manager recommends alternate treatment programs and helps coordinate needed resources, the patient's attending Physician remains responsible for the actual medical care.

- You, your dependent or an attending Physician can request Case Management services by calling the **toll-free number** shown on your ID card during normal business hours,

Monday through Friday. In addition, your employer, a claim office or a utilization review program (see the PAC/CSR section of your certificate) may refer an individual for Case Management.

- The Review Organization assesses each case to determine whether Case Management is appropriate.
- You or your Dependent is contacted by an assigned Case Manager who explains in detail how the program works. Participation in the program is voluntary - no penalty or benefit reduction is imposed if you do not wish to participate in Case Management.
- Following an initial assessment, the Case Manager works with you, your family and Physician to determine the needs of the patient and to identify what alternate treatment programs are available (for example, in-home medical care in lieu of an extended Hospital convalescence). You are not

If you are prescribed one of these NEHB Specialty Prescription Drugs, you will be contacted by SaveOn SP, LLC ("SaveOnSP") and required to enroll in the applicable prescription drug manufacturer assistance or support program. Once enrolled, you provide SaveOn SP with consent to monitor your account. Any Coinsurance required for NEHB Specialty Prescription Drugs and/or any Coinsurance remaining after the available prescription drug manufacturer assistance is applied or is exhausted will be credited, and your Out-of-Pocket cost share will be reduced to \$0.00. In the event you fail to enroll in the applicable prescription drug manufacturer assistance or support program, or you do not provide consent to SaveOnSP to monitor your account, you will be responsible for the full required Coinsurance for the NEHB Specialty Prescription Drug without such payment applying to the Out-of-Pocket Maximum.

In the event you enroll, or attempt to enroll, in the applicable/available prescription drug manufacturer assistance or support program and are denied any and all prescription drug manufacturer assistance or support due to a prescription drug manufacturer and/or legal restriction, the required Coinsurance for the NEHB Specialty Prescription Drugs will be credited and your Out-of-Pocket cost share will be reduced to \$0.00, so long as you have given SaveOnSP consent to monitor your account.

Provider Directories and Provider Networks

A list of network providers is available to you, without charge, by visiting the website or calling the phone number on your ID card. The network consists of providers, including Hospitals, of varied specialties as well as generic practice, affiliated or contracted with Cigna or an organization contracting on its behalf.

A list of network pharmacies is available to you, without charge, by visiting the website or calling the phone number on your ID card. The network consists of pharmacies affiliated or contracted with Cigna or an organization contracting on its behalf.

Provider directory content is verified and updated, and processes are established for responding to provider network status inquiries, in accordance with applicable requirements of the No Surprises Act.

If you rely on a provider's In-Network status in the provider directory or by contacting Cigna at the website or phone number on your ID card to receive covered services from that provider, and that network status is incorrect, then your plan cannot impose Out-of-Network cost shares to that covered service. In-Network cost share must be applied as if the covered service were provided by an In-Network provider.

Direct Access to Obstetricians and Gynecologists

You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. new Medical Pharmaceutical in the same therapeutic class as a Medical Pharmaceutical may become available, or other market events may occur. Market events that may affect the coverage status of a Medical Pharmaceutical include an increase in the cost of a Medical Pharmaceutical.

Certain Medical Pharmaceuticals that are used for treatment of complex chronic conditions, are high cost, and are administered and handled in a specialized manner may be subject to additional coverage criteria or require administration by a participating provider in the network for the Cigna Pathwell Specialty Network. Cigna determines which injections, infusions, and implantable drugs are subject to these criteria and requirements.

The Cigna Pathwell Specialty Network includes contracted physician offices, ambulatory infusion centers, home and outpatient hospital infusion centers, and contracted specialty pharmacies. When the Cigna Pathwell Specialty Network cannot meet the clinical needs of the customer as determined by Cigna, exceptions are considered and approved when appropriate.

A complete list of those Medical Pharmaceuticals subject to additional coverage criteria or that require administration by a participating provider in the Cigna Pathwell Specialty Network is available at www.cigna.com/PathwellSpecialty.

The following are not covered under the plan:

- Medical Pharmaceutical regimens that have a Therapeutic Equivalent or Therapeutic Alternative to another covered Prescription Drug Product(s);
- Medical Pharmaceuticals newly approved by the Food & Drug Administration (FDA) up to the first 180 days following its market launch;
- Medical Pharmaceutical regimens for which there is an appropriate lower cost alternative for treatment.

In the event a covered Medical Pharmaceutical is not clinically appropriate, Cigna makes available an exception process to allow for access to non-covered drugs when Medically Necessary.

Cigna may consider certain Medical Pharmaceutical regimens as preferred when they are clinically effective treatments and the most cost effective. Preferred regimens are covered unless the covered person is not a candidate for the regimen and a Medical Necessity coverage exception is obtained.

If you require certain Prescription Drug Products, including, but not limited to, Specialty Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. Coordination of Benefits

This section applies if you or any one of your Dependents is covered under more than one Plan and determines how benefits payable from all such Plans will be coordinated. You should file all claims with each Plan.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

Plan

Any of the following that provides benefits or services for medical care or treatment:

- Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public, nor is individually underwritten, including closed panel coverage.
- Coverage under Medicare and other governmental benefits as permitted by law, excepting Medicaid and Medicare supplement policies.
- Medical benefits coverage of group, group-type, and individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

Closed Panel Plan

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

- If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

When coordinating benefits with Medicare, this Plan will be the Secondary Plan and determine benefits after Medicare, where permitted by the Social Security Act of 1965, as amended. However, when more than one Plan is secondary to Medicare, the benefit determination rules identified above, will be used to determine how benefits will be coordinated.

Effect on the Benefits of This Plan

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans are not more than 100% of the total of all Allowable Expenses.

Recovery of Excess Benefits

Domestic Partner. However, when Medicare coverage is due to disability, the Disability payer explanations above will apply.

IMPORTANT: If you, your spouse, or your Dependent do not elect to enroll in Medicare Parts A and/or B when first eligible, or you receive services from a provider who does not accept Medicare payments, this Plan will calculate payment based on what should have been paid by Medicare as the primary payer if the person had been enrolled or had received services from a provider who accepts Medicare payments. A person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective.

Failure to Enroll in Medicare

If you, your spouse, or your Dependent do not enroll in Medicare Parts A and/or B during the person's initial Medicare enrollment period, or the person opts out of coverage, the person may be subject to Medicare late enrollment penalties, which can cause a delay in coverage and result in higher Medicare premiums when the person does enroll. It can also result in a reduction in coverage under Medicare Parts A and B. If you are planning to retire or terminate employment and you will be eligible for COBRA, state Continuation, or retiree coverage under this Plan, you should enroll in Medicare before you terminate employment to avoid penalties and to receive the maximum coverage under Medicare. Please consult Medicare or the Social Security Administration for more information.

- Subrogation: The plan shall, to the extent permitted by law, be subrogated to all rights, claims or interests that a Participant may have against such party and shall automatically have a lien upon the proceeds of any recovery by a Participant from such party to the extent of any benefits paid under the plan. A Participant or his/her representative shall execute such documents as may be required to secure the plan's subrogation rights.
- Right of Reimbursement: The plan is also granted a right of reimbursement from the proceeds of any recovery whether by settlement, judgment, or otherwise. This right of reimbursement is cumulative with and not exclusive of the subrogation right granted in paragraph 1, but only to the extent of the benefits provided by the plan.

Lien of the Plan

By accepting benefits under this plan, a Participant:

- grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;

Additional Terms

- No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan's right to recover shall apply to

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Medical Necessity determinations are made on a preservice, concurrent, or postservice basis, as described below:

Certain services require prior authorization in order to be covered. The booklet describes who is responsible for obtaining this review. You or your authorized representative (typically, your health care professional) must request prior authorization according to the procedures described below, in the booklet, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the booklet, in your provider's network participation documents as applicable, and in the determination notices.

Note: An oral statement made to you by a representative of Cigna or its designee that indicates, for example, a particular service is a Covered Expense, is authorized for coverage by the plan, or that you are eligible for coverage is not a guarantee that you will receive benefits for services under this plan. Cigna will make a benefit determination after a claim is received from you or your authorized representative, and the

expedited determination within 72 hours after receiving the request.

However, if necessary information is missing from the request, Cigna will notify you or your representative within 24 hours after receiving the request to specify what information is needed. You or your representative must provide the specified information to Cigna within 48 hours after receiving the notice. Cigna will notify you or your representative of the expedited benefit determination within 48 hours after you or your representative responds to the notice. Expedited determinations may be provided orally, followed within 3 days by written or electronic notification.

If you or your representative attempts to request a preservice determination, but fails to follow Cigna's procedures for requesting a required preservice determination, Cigna will notify you or your representative of the failure and describe the proper procedures for filing within 5 days (or 24 hours, if an expedited determination is required, as described above) after receiving the request. This notice may be provided orally, unless you or your representative requests written notification.

Concurrent Determinations

When an ongoing course of treatment has been approved for you and you wish to extend the approval, you or your representative must request a required concurrent coverage determination at least 24 hours prior to the expiration of the approved period of time or number of treatments. When you or your representative requests such a determination, Cigna will notify you or your representative of the determination within 24 hours after receiving the request.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of

the following that pertain to the determination: information sufficient to identify the claim including, if applicable, the date of service, provider and claim amount; diagnosis and treatment codes, and their meanings; the specific reason or reasons for the adverse determination including, if applicable, the denial code and its meaning and a description of any standard that was used in the denial; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, (if applicable); upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim; and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; a description of any available internal appeal and/or external review process(es); information about any office of health insurance consumer assistance or ombudsman available to assist you with the appeal process; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

If your designation of an authorized representative is revoked, or Cigna does not honor your designation, you may appoint a new authorized representative at any time, in writing, using a form approved by Cigna.

Medical - When You Have a Complaint or an Appeal

For the purposes of this section, any reference to "you" or "your" also refers to a representative or provider designated by you to act on your behalf; unless otherwise noted.

We want you to be completely satisfied with the services you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start With Customer Service

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, contractual benefits, or a rescission of coverage, you may call the toll-free number on your ID card, explanation of benefits, or claim form and explain your concern to one of our Customer Service representatives. You may also express that concern in writing.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days. If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

Internal Appeals Procedure

To initiate an appeal of an adverse benefit determination, you must submit a request for an appeal to Cigna within 180 days of receipt of a denial notice. If you appeal a reduction or termination in coverage for an ongoing course of treatment that Cigna previously approved, you will receive, as required by applicable law, continued coverage pending the outcome of an appeal.

You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask Cigna to register your appeal by telephone. Call or write us at the toll-free number on your ID card, explanation of benefits, or claim form.

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

We will respond in writing with a decision within 30 calendar days after we receive an appeal for a required preservice or concurrent care coverage determination or a postservice Medical Necessity determination. We will respond within 60 calendar days after we receive an appeal for any other postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

services will not be covered under the plan outside of the Employer's service area. If the Employer offers another benefit option through Cigna or another carrier which can provide coverage in your location, you may elect COBRA continuation coverage under that option.

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may

be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

The Cigna Claim Office responsible for this Plan

The cost of the Plan is shared by Employee and Employer.

The Plan's fiscal year ends on 06/30.

The preceding pages set forth the eligibility requirements and benefits provided for you under this Plan.

Plan Trustees

A list of any Trustees of the Plan, which includes name, title and address, is available upon request to the Plan Administrator.

Plan Type

The plan is a healthcare benefit plan.

Collective Bargaining Agreements

You may contact the Plan Administrator to determine whether the Plan is maintained pursuant to one or more collective bargaining agreements and if a particular Employer is a sponsor. A copy is available for examination from the Plan Administrator upon written request.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. Contact the Employer for the procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated. No consent of

any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section;)
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan’s decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits

Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
